As hosts we proudly present you our wine list. We have carefully curated a list of producers that we either import ourselves, or have worked with for many years. As sommeliers we are not only wine stewards; our goal is to listen, recommend, tell stories and curate the best possible experience for you, our beloved guest.

A bit of a disclaimer; we have a total crush on Champagne, Chenin Blanc from the Loire valley, everything Riesling, Northern Rhône Syrah and, above all, wines that are made with love and passion. All wines on this list are made with respect for mother nature and selected with care by your somms.

Both of us are big wine nerds and we love to help you choose! So please feel free to ask us anything. We love to select a wine with you and as we made this wine list ourselves we love every single wine on it.

Lukas & Thomas

## "HER MAJESTY" - CHAMPAGNE

How often we've answered "what are we drinking tonight after service?" with "champagne" is frankly embarrassing, but it does show our great affection for these amazing wines. We love the artisanal grower champagnes and have selected a few of our favorites. In addition, we have also added some of our favorite Grande Marques as well. As a great writer once said, there's no such thing as too much Champagne.

## "THE UNDERDOGS" - OTHER SPARKLING

We are creatures of habit. And finding alternatives for great Champagne, by venturing into other sparkling territories, is more often a 'mis' rather than a 'hit'. But do not misjudge the great expressions of sparkling wine that people outside of Champagne are creating. Below a small selection of those wines that make us happy.

<b>Reichsrat Von Buhl</b> Brut Reserve, Germany Sekt, NV	43
<b>Freixa Rigau</b> Nature Mil-lesima Réserve Familiar, Spain Cava NV	51
<b>Mastinell</b> Carpe Diem, Spain Cava, 2018	55

<b>Domein Holset</b> Dame van Holset, Netherlands, Limburg, NV	73

## ROSÉ WINES

Although we might sometimes disagree with the hype surrounding certain rosés from the south of France (we won't name any names), we do believe that there is a time and place for rosé. The selection of rosés below might be small, but we love these wines, for drinking on a warm summer day or to pair with some lovely food.

<b>Sao Miguel</b> 'Rose', Portugal, Alentejo, 2023	36

<b>Rimauresq</b> 'Cru Classé', France, Provence, 2023	66
<b>Domaine Tempier</b> Bandol Rosé, 2021	83

## SWEET WINES

Please don't forget to complete an amazing wine experience with something lovely and sweet. Sweet wines have a bad rep; a great shame if you ask us. These wines deserve as much respect as their dry brothers and sisters, often offering tremendous balance and complexity.

<b>Von Buhl</b> Riesling 'Ungeheuer' Auslese 0,375ml, Pfalz, 2016	48

# WHITE WINES

## “THE HOLY GRAIL” - WHITE BURGUNDY

The pinnacle of both ‘terroir’ and winemaking techniques. White Burgundy is definitely something magical for most wine lovers. Annoyingly, demand is on the rise and yields are falling, making these wines even harder to find. Below a small selection of our favorites, or at least, the ones we managed to get our hands on.

## “THUNDERBOLTS & LIGHTNING” - RIESLING, CHENIN & FRIENDS

Sommeliers have a soft spot for acidity in wines, which is probably why some of our favorite grapes have so much of it. Riesling, even when we are talking sweet Riesling, has a laser-like, electrifying acidity. All of the wines in this category have that similar freshness and acidity that will keep you thirsty for some more!

## “THE EXTRAORDINARY” - WHITE WINES WITH A BIT OF FUNK

We love us some very traditional and classic winemaking, but even we like to go of the beaten track once in a while. The selection of wines below is just that. Wines that we absolutely adore for being well made with just the perfect little edge of funkiness.

Done with freshness acidity and looking for ripe and exotic aromatics? Look no further! Viognier, Gewürztraminer, Grüner Veltliner and a couple other grapes like them shine when it comes to aromatic complexity. These wines keep you on the tip of your seat throughout the entirety of the bottle and simultaneously possess a certain comforting quality.

## “MIGHTY MEDITERRANEANS” - ITALIAN & IBERIAN WHITES

All the wines below have that certain “Je ne sais quoi” Mediterranean vibe, that we so often pickup on when blind tasting them. Lots of difference in all of these wines as well, but a commonality is definitely the fact that they’ve enjoyed plenty of sun down south. Questions? Don’t be afraid to ask!

## “THE SILVER SPOON PRINCE” - BOURGOGNE ROUGE

Pinot Noir is like a silver spoon child; it is hard to grow in the vineyard and even more difficult in the cellar. Sensitive and very stubborn; a real hand full. But if done correctly, it has achieves god-like status, like a prince crowned to king. The best examples are ethereal, dramatically complex and beguiling, most of whom are meticulously handcrafted in de Côtes-de-Nuits in Burgundy. Like the Cistercian monks already knew more than a thousand years ago; we also think of Pinot Noir as the noblest of noble and have selected a couple of great examples.

## “SMOOTH OPERATORS” - BEAUJOLAIS, LOIRE, GERMANY ETC.

Red wines can be expressive, complex and exciting, without necessarily relying on tannins or high alcohol. The wines we’ve selected below all posses exactly that quality. ## “THE WHITE & THE BLUE COLLAR” - BORDEAUX, RHÔNE, CAHORS

Whether it’s a earthy Syrah or an intens left bank Bordeaux, the southern half of France produces some amazing reds. Some are seen as high class, elite reds, the white collar. Others might be considered more of working class, blue collar wine. Either way, we brought them together below, all powerful, rich and structured reds.

## "ITALIAN STALLION" - POWERFUL ITALIAN REDS

A classic Brunello, a seductive and powerful Super Tuscan, a tangy and smokey Barolo or a luscious ripe Amarone; we absolutely love Italy for its diversity! And even though these wines can be so completely diverse, all of them share that lovely Italian vibe, that we so often crave for.

## “INTENSELY IBERIAN” - SPANISH REDS

Burned by the strong Spanish sun, toasted and oaky because of the time spend in (often American) barrels, often very powerful in their structure. All of the wines below show these qualities, whilst all still very diverse so feel free to ask about any details.
